CS246: Mining Massive Datasets

Assignment number: _____

Submission time: _____ **and date:** _____

Fill in and include this cover sheet with each of your assignments. It is an honor code violation to write down the wrong time. Assignments are due at 9:30 am, either handed in at the beginning of class or left in the submission box on the 1st floor of the Gates building, near the east entrance. Failure to include the coversheet with you assignment will be penalized by 2 points.

Each student will have a total of *two* free late periods. *One late period expires at the start of each class.* (Assignments are due on Thursdays, which means the first late period expires on the following Tuesday at 9:30am.) Once these late periods are exhausted, any assignments turned in late will be penalized 50% per late period. However, no assignment will be accepted more than *one* late period after its due date. (If an assignment is due to Thursday then we will not accept it after the following Thursday.)
